AP-4080A PRIVATE PAY SLIDING FEE SCALE

Revised 02/01/2023

Effective for new enrollments beginning 02/01/2023

Share Your Care strives to make its services affordable to everyone. A Private Pay Sliding Fee Scale is made available to those individuals who are not eligible to receive government funded subsidized adult day services and must pay the full price of the services. The sliding fee scale applies to services provided as noted on the Private Pay Contract with Share Your Care, Inc. and the client or the client's responsible party. The fee scale is subject to change after a 30-day written notification of such a change is provided to those who are engaged in a Private Pay Fee contract. Verified annual income determines rate. Proof of income will be required for participation in the sliding fee scale program.
